Bidders are responsible for removing items from our facility and loading them into their vehicle without physical assistance from BidRL staff. While BidRL staff are happy to help whenever we can; and are sometimes capable of assisting customers in moving and lifting larger items, we can not guarantee that staff will be able to help load oversize items. If a winning bidder can not physically move or lift their own item(s) without assistance they are responsible for bringing other people to help them move and load their oversize items instead of relying on BidRL staff to move, lift or load their item(s).
